NOTICE #2 - SPEED TABLES BETWEEN BOBLINK RD AND ALBATROSS RD

Construction Notice

Lindell Boulevard Bicycle and Pedestrian Improvements

City Project No. 17-074

FDOT LAP Project FM No. 441533-1-58-01

Dear Resident:

The Lindell Boulevard/SW 10th Avenue Improvements Project Team are providing you notices of upcoming construction operations and traffic impact:

Starting Monday November 10, 2025 at 8:00 AM, Lindell Blvd will be closed just west of Bobolink Road and just east of Albatross Road for the construction of new traffic calming speed tables. This closure will last day and night through Friday November 14, 2025 at 4:00 PM. During this closure, a marked detour will guide traffic around the closure to help drivers reach their destination. Google Maps, Waze and other travel apps will be updated with this information to assist with alternate routes.

Vehicles travelling EASTBOUND on Lindell Blvd will be redirected through Bobolink Road, Heron Drive and Albatross Road to reconnect with Lindell Blvd.

Vehicles travelling WESTBOUND on Lindell Blvd will be redirected through Albatross Road, Heron Drive and Bobolink Road to reconnect with Lindell Blvd.

Portions of Lindell Blvd between the work areas will be accessed through Carl Bolter Drive and Avocet Road.

For more information about this project you may visit the website at www.LindellSW10thImprovements.com. Thank you for your patience and understanding as we widen the roadway. Your cooperation for the successful completion of this City improvement project is greatly appreciated.
